To Whom It May Concern:

Ms. Sari Virtanen has asked if I could supply a letter of recommendation in support of her application for a counselor's position for the summer of 2010. I understand one of the main requirements is her ability to speak and write English fluently.

Over the past 1.5 years, Ms. Virtanen has enrolled in four of my classes on different aspects of English as a foreign language. Each was a half-year course. Two were practical courses in spoken and written English; the other two were general courses in linguistic and cultural studies. Thus far Ms. Virtanen has completed one of the practical courses, receiving a grade of 2 on a scale of 1-5, with 5 being highest. The median grade for all students in this course during the past 1.5 years has been 3.5.

I would suggest that you examine Ms. Virtanen's qualifications carefully when reviewing applications for your counselor positions for the coming summer.

Should you wish more information regarding her language or other competence, I may be reached by telephone at +358-50-987-65432 weekdays between 3 and 4 p.m. Eastern Standard Time.

Cordially yours,
