Research group

The Space and Political Agency Research Group (SPARG, led by Prof. Jouni Häkli) is widely networked, internationally as well as nationally. It forms the **Academy of Finland Centre of Excellence in Research on the Relational and Territorial Politics of Bordering, Identities and Mobilities** (RELATE, led by Prof. Anssi Paasi), together with other three research groups in the Universities of Oulu and Helsinki. RELATE has an extensive international network of expertise, including Profs. Derek Gregory, Andrew Jonas, Martin Jones, Virginie Mamadouh, Katharyne Mitchell, Alison Mountz, David Newman, Maano Ramutsindela, Julian Reid, James Sidaway, Lynn Staeheli and Dallen Timothy as committed resource persons.

The second current collaborative structure of SPARG builds around the Academy Strategic Research Project **Beyond MALPE-coordination: integrative envisioning** (BEMINE, led by Prof. Raine Mäntyselä). The project involves seven national and three international scientific partners, including research groups led by Profs. Simin Davoudi, Joe Ravetz and Petter Næss.

18. REPORT OF TEACHING MERITS

I supervise Postdoctoral, Doctoral and Master students, mostly in the Research Program on the Politics of Space and the Environment (POLEIS) and in the Master's Degree Programme in Leadership for Change, at the School of Management, University of Tampere. I am currently responsible for the supervision of one doctoral thesis (Eeva Rinne) and I supervise 3–5 Master's students per year. In addition to this personal guidance, I take actively part in collaborative supervision through the weekly POLEIS research seminar. I also give visiting lectures in multi-disciplinary courses and seminars. Pedagogical portfolio available by request.

Supervised Doctoral Thesis

Elina Stenvall (2018): Agency and belonging: Children's experiences about participation, citizenship and political agency. University of Tampere.

Examined Doctoral Theses

Sigurd Solhaug Nielsen (2019): Developing global awareness among young students: A study of students' experiences with the museum exhibition A World at Stake. Norwegian University of Science and Technology. (External Committee Member)

Satu Kivelä (2018): Political geographies of health care: Governmentality of population health in the constitution and transformation of state spatiality. University of Oulu. (Pre-examiner)

Tuure Tammi (2018): The political process and the contagions of democratic experiments in everyday life in school. University of Helsinki. (Opponent)

Examined Docentships and Tenures

Pauliina Rautio (2017): Tenure in Pedagogy. University of Oulu.

Minna Ruckenstein (2014): Docent in Consumer Economics. University of Helsinki.

Pauliina Rautio (2013): Docent in Pedagogy. University of Helsinki.
