ENCLOSURES

APPLICATION FOR A PERMISSION TO DEFEND A DOCTORAL DISSERTATION

- The dissertation manuscript including the articles: send the dissertation file + articles in pdf-form to sari.orhanen@uta.fi
- The originality of all doctoral dissertations and licentiate theses must be verified with the Turnitin online plagiarism checker. Please enclose a report signed by your supervisor. More information about Turnitin can be found from the web pages of the University of Tampere Doctoral School: <http://www.uta.fi/english/doctoralschool/>

If the dissertation is article-based, please provide also the following:

- A summary of the dissertation (1–2 pages)
- A complete list of the articles
- A report of the doctoral candidate's contribution to each article. The report should be 1–2 pages long and describe in the case of each article how the candidate contributed to the research in terms of planning, methodological development, collection of material or samples, statistical analysis, selection and examination of patients, analyses of results, and the composition of the article. The report should be approved and signed by both the doctoral candidate and the supervisor(s) of the dissertation
- If all the articles have not been published, evidence of the current status of the articles (submitted for publication, accepted for publication)
- A written consent is required from the other writers of the article and from the supervisor(s) of the dissertation in case any of the articles in the dissertation have or will be used for another thesis
