Reading materials for HIPIT 2012:

Book Chapter:

You can access an electronic version of the book through the Web pages of our library: http://www.uta.fi/kirjasto/en/index.html => "Electronic collection - NELLI" => "Univ. of Tampere" => "Electronic books" => "E-books databases (Ebrary)" => "eBooks on EBSCOHost (ent. NetLibrary)"

Log in using your UTA account and search for the author "Eysenck".

Articles:

These articles are available in course’s Moodle page. Information on Moodle will be given on the first lecture.
