List of publications

Applicants for teaching and research posts at the School of Social Sciences and Humanities are required to enclose a list of publications. Publications should be arranged to international and domestic publications according to the following classification:

1. Peer-reviewed scientific articles
   - Journal article (refereed), original research; review article, literature review, systematic review; book section, chapters in research books; conference proceedings
   - Doctoral dissertations (articles) also listed under item 6.

2. Non-refereed scientific articles
   - Non-refereed journal article; book section; non-refereed conference proceedings

3. Scientific books (monographs)
   - Book; edited book, conference proceedings or special issue of a journal
   - Doctoral dissertations (monographs) also listed under item 6.

4. Publications intended for professional communities
   - Article in a trade journal; article in a professional manual or guide or professional information system, textbook material; professional conference proceedings; published development or research report or study; textbook, professional manual or guide, dictionary

5. Publications intended for the general public, linked to the applicant’s research
   - Popularised article, newspaper article; popularised monograph

6. Theses

7. Patents and invention disclosures

8. Audiovisual material, ICT software

For each publication, give a complete literature reference, indicating the authors and the title of the article or publication as well as the publisher.
